Circular No. CMWSSB/Fin/B&C/ SPL/2017, DATED 18.09.2017.

CIRCULAR

Sub: CMWSSB - Fin (B&C) Dept. - Inclusion of category "Industries" and revision of Tariff - Approved by the Board - To be implemented from Oct 01; 2017 - Reg.

Ref: Board Resolution No: 64/2017
Orders of Managing Director dated 15.09.2017

The main source of revenue for the Board is through Water and Sewerage Taxes and Charges. To meet the increasing financial commitments of the Board it was proposed to create a new sub-category under "Commercial" category named as "Industrial" (water supplied to Industrial consumers) and charge them at the rate of Rs.120 KL for entire quantity. It was also proposed to increase the tariff of such industrial consumers by 10% every year over the previous year tariff to meet out the growing Operation and Maintenance expenditure of the Board.

The Board vide reference cited, accorded its approval to

- a) Include sub-category named "INDUSTRIES" under category B. Commercial of the Board's Tariff Regulation and also fix the tariff as INDUSTRIES - ABOVE 500 KL as Rs. 120/- per KL FOR ENTIRE QUANTITY.
- b) Increase the tariff by 10% over the previous year tariff for consumers under the category "INDUSTRIES".

Orders of the Managing Director have been obtained vide reference 2nd cited, to implement the above with effect from 01st October, 2017 i.e for water supplied from 01st October, 2017 the new tariff will apply. For water

supplied upto 30th September, 2017 old tariff will apply. The Area Engineers are requested to implement the above after communicating the same to Industries concerned. A copy of the letter send to such industries may be sent to Finance (B&C) section.
